Jialu is an incredible section leader. She worked very hard to make sure we all enjoyed the courses content regardless of how dry it was at times. She went above and beyond with feedback and card about us as people.
Jialu was a great section leader; sections were well-taught, interesting, and a formative part of my understanding of the course material.
Engaging in section! Also very knowledgeable about material
Jialu is one of the best TFs I've had the pleasure to have at Harvard.
Jialu was a fantastic TF and provided excellent feedback, discussions, and other information regarding the course. She was also very knowledgeable and accessible, along with trying to get to know students individually.
Jialu encourages her students to take part in the discussion and generates enthusiasm. She likes to challenge her students' understanding and opinions about the readings. Her expertise in the concepts covered by the course enriches the section discussions.
